Amazing book. I loved it so much. I will use it forever. Pretty humorous. Great I love this book and I was wondering if there is a new diary of a wimpy kid is coming out soon! Stephanie Gerhard 11-09-19 I thought of it as a movie it looked good I love it nothing's better than this one Sheila Fieldsath 11-06-19 The book is by far the best one yet hi hi hi hi hi hi L O V E D. IT. A. LOT! GO TEAM SPORTS! YAY YAY OK I don't know if im doing it right or not. But I expected this to go through the hole book when I bought it. 1 star I liked the book because the reader really fits diary of a wimpy kid I will recommend it to a bunch of people This series is disappointing and using a sassy, me-centered, disrespectful main character and friends points to the issues with today's youth. these were part of our Neighbor's lending library and I hear so much about them I gave them a listen in audible. Assuming since they're so mainstream they must be mostly acceptable. Again it's proven to me you cannot make that assumption and all parents should really be listening to whether the character acts like a child they want tj have in their home vs oh well this is how teenagers act. children actually don't have to be this way, we direct how they act by choosing what they're exposed to. I liked the book. It was a good book. That's it!The book is recommended. Sorry! Something went wrong Is your network connection unstable or browser outdated? Extracts It seems that things are - amazingly - looking up for Greg and his family! An unexpected inheritance has given the Heffley's a chance to make some major home improvements. But as always, stuff doesn't quite go to plan...
